

Otolaryngologist
Dartmouth Health Concord

The Dartmouth Health Department of Surgery, Section of Otolaryngology is seeking a Board Certified / Board Eligible Otolaryngologist to join its collegial team of providers to deliver a broad range of ENT and surgical services.

This position will be based in our Concord, NH clinic, and surgical privileges will be obtained at Elliot Hospital as well as the Dartmouth Health Manchester ASC. The physician will see a full range of otolaryngology pathology and a mix of adult and pediatric patients. As a practice within the Dartmouth Health system, opportunities for involvement in clinical research and teaching are available for interested candidates.

This is a full-time position with a five-day work week. Call is approximately 1:6 and is shared with other Dartmouth Health otolaryngologists in our southern region.

Dartmouth Health offers a comprehensive benefits package including health, dental, vision, and malpractice insurance, retirement plan options, a \$20,000 relocation bonus for eligible hires, and a generous CME allowance.
